

HELP US OPEN IN 2010!

The Durango Discovery Museum will open in the Powerhouse in 2010.

Phase II will include:

- **Interactive science + energy exhibits** for all ages
- **Powerhouse plaza** and event space
- **Sudden Science** education outreach programs
- **Camp Discovery** week-long summer science immersion
- **Durango Discovery Kids:** a discovery place for our youngest scientists

Now *everyone* can be a real part of the Discovery Museum's progress. **Buy and personalize a brick to make your lifetime impression on Durango's riverfront.** It's easy, tax-deductible, and scientifically proven to change lives and minds.

Personalized brick pavers make energizing holiday gifts!

Buy one to celebrate a kid in your life, to memorialize a loved one, or just to say something sweet/scientific/celebratory. *(But think "tattoo" cuz it's going to be there a long, long time.)*

NAME OR MESSAGE AS IT WILL APPEAR ON BRICK

Dear _____

Instead of getting you a _____ *(insert usual gift name)*

this _____ *(insert holiday or occasion)*, I put

_____ *(insert message)* on a brick paver at

the Powerhouse down by the river. When the Discovery Museum opens next year, let's visit together and take a picture.

Love, _____
